

HATCHETT HOME IMPROVEMENT
LIFETIME LIMITED WORKMANSHIP AND SERVICING WARRANTY

Lifetime Limited Workmanship Warranty

Hatchett Home Improvement ("HHI") will perform all work in a professional manner using high-quality materials and supplies, and in conformance with applicable building codes. HHI warrants to the original consumer-purchaser ("Owner") that work performed by HHI will be free of defects due to workmanship for so long as the property is owned and occupied by the Owner, subject to the other terms and conditions contained in this document.

Sixty-Day Limited Workmanship Warranty – REPAIRS

HHI warrants to the Owner that repair work performed by HHI on non-HHI product will be free of defects due to workmanship for sixty (60) days from the date of purchase of such services by the Owner, subject to the other terms and conditions contained in this document.

How to Obtain Warranty Service

To submit a claim, this warranty and a signed and dated copy of the original HHI sales agreement must be submitted in writing to HHI. Claims must be submitted to HHI promptly after discovery of the claimed defect. HHI will then schedule an appointment to inspect the premises and the warranty claim within a reasonable period of time after having received the claim. If after inspection, HHI determines that a valid claim exists under one or more of the warranties, HHI will repair, re-install, replace, or refund the pro rata purchase price of the faulty portion of the HHI service, at HHI's option. If HHI determines to replace any or all HHI product(s), and if HHI product(s) as originally installed is no longer available, HHI shall have the right to substitute HHI product(s) designated by HHI to be of equal quality. Replacement of a product or component does not renew the warranty period. Color variations may exist between the replacement product and the originally installed product and are not indicative of a defective product. If, at HHI's option, a purchase price refund is conveyed to the Owner, then all warranties are terminated, and repair, replacement, or removal of HHI products shall become the sole responsibility of the Owner. No warranties are valid unless and until the Owner has made full payment under the original HHI sales agreement and all addenda thereto. Non-warranty calls for repair or adjustment may result in a service charge.

What Is Not Covered

These warranties are granted by HHI to the Owner only and only materials purchased from and installed by HHI are covered by these warranties, except as otherwise provided for herein. All warranties terminate immediately upon the change of ownership or occupancy. All warranties assume normal and reasonable use of HHI products or components. Minor color or textural variations from lot-to-lot of product are not product or installation defects. These warranties do not cover any other damage, workmanship, or material failure including, but not limited to, damage caused by occurrences beyond the control of HHI, such as settlement of the building, failure of the structure (including foundations and walls), use of incompatible accessories, removal, repair, or re-installation of any HHI products or components by other than HHI, workmanship and materials supplied by Owner's trade contractors, normal weathering, corrosive effects of salt, air, and chemical pollutants, normal fading, deterioration of caulking compounds and paint, fire, flood, lightning, high winds (exceeding 40 mph), windblown objects, earthquake, hurricanes, ice dams, icicles and/or ice storms, atmospheric conditions or weather of catastrophic nature as defined by the U.S. National Weather Service, other acts of God, intentional acts, unreasonable use or failure to provide reasonable maintenance, or damages due to or arising from the identification, detection, abatement, encapsulation or removal of mold, asbestos, lead-based products, or other hazardous substances inside or outside of the structure being improved.

Replacement Windows

Please be aware that condensation on any window or patio door is the natural result of excessive moisture in the house, and does not indicate a defective product or faulty installation. Excessive condensation may even result in frost appearing on windows in very cold weather. HHI is not responsible for condensation and this warranty does not apply to condensation, its causes or its effects. Additional information concerning condensation is available upon request. Please take steps to properly ventilate areas where new window products are installed for at least 48 hours after installation to avoid possible sensitivities to new products or caulking odors.

Exterior and Interior Wood

Wood for exterior railings, decks, trim, siding, or stairs will include imperfections such as knots and checks and may be susceptible to cupping. Knots, checks, and cupping are normal, and removal of such imperfections is not covered by this warranty. Any wood replaced will not exactly match existing decking.

Interior trim, doors and hardwood flooring will expand and contract, this is normal. The movement may be caused by excess moisture in the home and/or seasonal movement. This is not covered by this warranty.

Concrete

Hairline cracks may develop within the first year of placement. Many of these cracks can be expected during the first few weeks. These are known as shrink cracks. Shrink cracks are narrow hairline stress cracks in the surface of the concrete caused by the curing process. HHI warrants any crack exceeding 3/16" resulting from poor workmanship or use of sub-standard materials, within the first year of placement will be repaired or replaced.

What Voids These Warranties

Installation, removal, painting, repair, adjustment, tampering, or re-installation of any HHI products or components by other than HHI voids any and all warranties within this document, and HHI expressly disclaims any liability for any costs, defects, or damages with respect to such actions.
